

Empowering Europe

Programme Empowering Europe 2023

Our intention is that our time together is refreshing and empowering. The gatherings are a blend of time together, interactive sessions, speakers, worship and space for the Holy Spirit to move. We make space for people to get to know one another and to seek God together. There is power in relationships. We need each other to see families, cities and nations transformed.

The Christian Healing Centre is perfectly equipped with a main hall, smaller rooms, and a beautiful outside space. There is onsite parking and the Hanau central station is a 15 minute walk away. There is a supermarket right next to the Christian Healing Centre to purchase lunch on Saturday. Light refreshments will be available throughout Empowering Europe 2023.

The main language will be English. Translation to German and vice versa will occur as much as possible depending on the need.
